

National Transportation Training Directors

Registration is open!

Chattanooga 2018

Transforming Transportation Training

October 7-11, NTTD's Annual Conference and Professional Development Opportunity

Share and learn:

- Innovative training policies, programs and technologies that serve the unique needs of the transportation community.
- Learn from your peers and experts in the field.
- Discover new resources and tools.

This is an important networking opportunity to increase your professional competencies and network connections.

Special Workshops for 2018

Implementing UAS Technology into DOT Operations

UAS Team at the University of Vermont (Monday, 9a-noon)

Innovative Solutions to Transportation Training Challenges

iCube, at **Tennessee Tech University** (Thursday, 9a-noon)

New for 2018

- **Early bird registration**
Ends August 8th
- **Multiple participant discounts**

This year NTTD has several new registration options, including an early registration discount and a \$50 discount if more than one person from your organization registers for the conference. As trainers and networkers, we know of the added value when more than one member of an organization attends meetings and can work together, during and after the conference. [Register Now](#)

Chattanooga is an innovative Smart **GigaByte City** with a lot to offer in transportation, culture, food, history, and entertainment. The NY Times Travel section recently featured Chattanooga in its “36 hours in...” series; *Nearly geeky in its optimism — and all the better for it — this friendly Tennessee city is a breath of fresh air. Read more here.*
